Grading System

Beginners A: Confined to dancers who have never won first places in that particular dance in any age. Solo costumes must not be worn and basic beginner steps must be danced.

Beginners B: Confined to dancers who may have won first place in Beginners A section. Beginner steps (don't have to be completely basic but not of pre-open standard) to be danced and Solo Costumes must not be worn.

In Beginners competitions, children may dance up an age group i.e. U/7A Reel & U/8A Reel.

Beginners Cups: Dancers must have competed in one of the *light* dances (Reel, Light Jig, Slip Jig or Single Jig) in Beginners A or B sections at this féis and can only dance one of above dances which dancer has *never* won before at any open or confined féis.

Pre-Open: Confined to dancers who have never won first place in either pre-open or open sections in that particular dance in that specified age. Open champions (3 adjudicators, 2 dance championship winners) cannot compete in pre-open competitions. Solo Costumes may be worn and dancers may compete in both pre-open and open competitions if desired.

Open: Open to all competitors under specified age unless dance is not catered for in own age group.

Note: Dancers competing in Open Championships (U10 upwards) must compete in both open Reel and Jig solo competitions. Similarly dancers competing in Open Solo Reel and Jig competitions must dance in the Open Championship.

Confined Championship: Open to all competitors except open champions.

Note: An open champion is a dancer who has won a three adjudicator championship which consisted of a light and a heavy dance. This applies regardless of area/branch restrictions.
