### General Feis Rules

Beginners A, B, and C are prohibited from wearing Solo Costumes.

Age Groups up to and including Under 9 are prohibited from wearing Solo Costumes.

Children up to and including the age of 12 are prohibited from wearing Face make-up.

All dancers are prohibited from wearing any form of glitter on their face.

In Beginners A, B and C competitions there must be a minimum of 10 Competitors, and in Pre Open Competitions there must be a minimum of 5 competitors, before the winner progresses to the next grade. If there are less than these minimum numbers it is at the discretion of the Adjudicator to issue either an award or a 1st place, based on the standard rather than the number in the competition.

Once a dancer has won a 1st prize in a competition they are not eligible for that dance in that particular grade, for forthcoming competitions even if entries have been pre-paid.

All dancers who fall in a competition are eligible to return to complete their performance and be remarked.

Beginner figures confined to Beginners "A" and "B" dancers in the Reel, Light-Jig, Slip- Jig or Single-Jig only. Basic steps and movements only to be performed.

Competitors are required to be appropriately attired at all times when attending a Feis and that the Committee has the right to ensure that the Rule is adhered to.

Any form of unauthorised photography which captures a dancers' image whilst taking part in competition is expressly forbidden. This covers photography by means of mobile phones, tablets, video camera, cine recorder or portable electronic devices, with or without flash facility.

Under Health and Safety, competitors are requested not to smoke whilst dressed in their dancing Costume. This includes e-cigarettes.

All competitors must wear their number positioned centre front, clearly displayed for Adjudicators.

Dancers who have not won an Open Championship (under 3 adjudicators) are eligible to compete in a Confined competition.

Confined competitions, up to and including under 9, should exclude those who win the Championship Cup in those age groups. A dancer is not debarred from a Confined competition until such time as they win a Championship Cup competition. Once a dancer wins a Championship Cup, up to and including under 9, they cannot dance a confined championship until they reach under 10.

Confined competitions up to and including u/9 should be danced under 1 adjudicator only.

Beginner Cup Competition Rule: Dancers must have performed in a light or heavy solo in the grade. Dancers must be e.g. Beg A for Dance selected. Dancers can only do one Cup competition in a particular grade in their own age (or up one if age not provided for) at any one Feis. The winner will progress a grade for the dance performed. Please return the name of the dance performed by the winner in the copy of the Feis Results.

Pre-Open Cup Competition Rule: Dancer must have performed in at least 1 of the Pre- Open dances in their own age group or up one age. Dancers must be pre-open for the dance selected. Dancers can only do one Cup Comp in a particular grade in their own age (or up one if age not provided) at any one Feis. The winner will progress a grade for the dance performed. Please return the name of the dance performed by the winner in the copy of the Feis Results.
